

# West Coast ICONS

## Sponsorship Opportunities

West Coast Icons is Northern California's premier training program for competitive cheerleading, tumbling, and more — serving over 80 dedicated athletes. With back-to-back national titles, our teams are striving for even greater success, and we need your help!

Your sponsorship will directly support scholarships for athletes, the expansion of our program, and the purchase of essential training equipment to enhance performance and safety. By partnering with us, you'll be investing in young athletes, fostering teamwork & discipline, and gaining visibility within a passionate, high-energy community.

Join us in shaping the future of competitive cheer in the Bay Area — your support makes all the difference! Thank you for championing our athletes!

### White Level \_\_\_\_\_ up to \$250
